

At Haaga-Helia you can study to become an expert in business, tourism, hotel and restaurant management, journalism, information technology, or sports and leisure management.

Our practical studies give you the skills to work independently in various professional tasks and in international environments.

Haaga-Helia supports your professional growth. We offer you a wide network of international partner universities and close connections to business life. As a result, our graduates are highly valued in the job market.

Our Bachelor's degrees can be conducted as full-time or as part-time or multiform learning in Finnish and English. Depending on the study programme, the scope of the degree is 210–240 credits, which takes about 3,5–4,5 years of full-time studying.
