

# Apply to Haaga-Helia University of Applied Sciences

How can we help you?

Haaga-Helia is a highly business orientated University of Applied Sciences in Finland. Our roots are in business and we are professionals with truly international mindset. We work closely with other companies and communities to build dynamic models for mutually beneficial cooperation.

## Do you want to be part of our international student community?

With us, you can study in Bachelor's degree programmes and in Master's degree programmes. You can also complete smaller study entities or study a few individual courses at our open university of applied sciences.

Haaga-Helia University of Applied Sciences is home to a diverse student population, bringing together around 11,400 students from 113 countries around the world.

- 3 January 2024 to 17 January 2024 at 15:00 Finnish time Joint application to Bachelor's degree programmes in English

## Application process in a nutshell

---

### 1. Search for suitable degree programmes and check admission details

Applying for higher education degree studies in Finland is done online on [Studyinfo.fi](https://studyinfo.fi). You can find the application process explained in detail on that site. Applying is always free but if you are a non-EU/EEA or Switzerland citizen, you might have to pay a tuition fee for your studies. Please check detailed information about [tuition fees and scholarships](#).

If you are planning on applying for Bachelor's degree programmes, you need to have a higher secondary certificate (e.g. high school diploma) or higher.

When applying for Master's degree studies at Haaga-Helia, you need to have a Bachelor's degree or higher and at least two years of work experience after completing the Bachelor's degree. Relevant degree and work experience depend on the desired degree programme. Either the Bachelor's (or higher) degree or the work experience must be from the field of the degree programme.

---

## 2. Fill out the application form during the application period

Applications for Bachelor's and Master's programmes are usually submitted on [Studyinfo.fi](https://studyinfo.fi) in January for studies starting in August, and in September for studies starting in January. Our rolling admission period (applicants applying with SAT test scores or with certificate-based student selection) is usually a bit longer than the joint application period.

Application form and detailed timetable are available on [Studyinfo.fi](https://studyinfo.fi). Please make sure that you fill out the right application form since there might be more than one ongoing application period.

---

## 3. Attach the required documents to your application by the given deadline

Documents required for your application are listed on Studyinfo. You can attach these documents to your online application. **Deadlines** for the required documents are given on Studyinfo, as well. Please see [frequently asked questions for the required documents of eligibility by country](#).

You can fill out the application form and send it without the required documents if you do not have them available when filling out the form. You can attach the missing documents to your application later through the link which you receive from Studyinfo to your email address or by logging into My Studyinfo -service with Finnish bank identification codes, mobile certificate, or certificate card.

## Refugees and asylum seekers

If you are a refugee or have status comparable to a refugee or are an asylum seeker and cannot thus verify your previous degree with required attachments, Haaga-Helia may still invite you to the entrance examination. Read more on [Haaga-Helia's website](#)

Provisions on eligibility for universities of applied sciences are contained in the Polytechnics Act (932/2014). Haaga-Helia University of Applied Sciences may use discretionary admission.

---

### **4. Prepare for the entrance examination or admission interview and wait for an invitation**

Pre-reading materials and advance assignments for the examinations are published on [Haaga-Helia's website](#). You can check whether the programme that you are applying for has an entrance exam and/or is using pre-reading material or advance assignments from Haaga-Helia's website or from admission criteria on Studyinfo.fi.

Admission services sends invitations to Haaga-Helia's entrance examinations by email a few weeks before the exam date.

---

### **5. Participate in the entrance examination**

Participate in the entrance examination if it is part of the selection method in the degree programme you are applying to. Please check admission criteria on Studyinfo.fi.

---

### **6. Wait for the results**

Results of the student selection are available on My Studyinfo service and applicants also receive results by email. The date, by which the results will be published, is stated in the admission criteria on Studyinfo.fi.
